Phil Longworth

HEALTH AND CARE STRATEGY, PROGRAMMES AND PARTNERSHIPS

phil.longworth@gmail.com · 07930 756072 · linkedin.com/in/phil-longworth-13051220

An experienced professional with a robust background in strategy, policy development, and organisational governance. I've managed complex programmes such as the £50m+ Better Care Fund for health and care integration, led the Kirklees Health and Wellbeing Strategy, and I'm now managing the Kirklees Healthy Working Life Programme.

£50m+
Better Care Fund pooled budget managed

1,000+
Participants in Healthy Working Life in Kirklees to date

Millions
Items of PPE distributed across West Yorkshire

Key skills

Leadership · **Strategic thinking** · **Collaboration** · **Project management** · **Analytical thinking**

Professional experience

2025 – Current

Healthy Working Life Programme Manager
Kirklees Health and Care Partnership

Managing the development and delivery of the Kirklees Healthy Working Life Programme (part-time).

2015 – Current

Election Support Officer (Part-Time)
Kirklees Council

Supporting local, mayoral and general elections: managing polling stations, vote counting and enrolling new voters.

2024 – 2025

Social Researcher
National Centre for Social Research

Part-time research fieldwork for the UK's leading social research organisation.

2017 – 2023

Senior Manager
Kirklees Council

Worked across health, care and wellbeing partners in Kirklees and West Yorkshire.

- Built the partnerships and governance behind the Kirklees Health and Wellbeing Board and the West Yorkshire Integrated Care System.
- Led the initial development and implementation of the Kirklees Health and Wellbeing Strategy and Joint Strategic Assessment, then the strategy's revision and update in 2023.
- Managed the £50m+ Better Care Fund pooled budget to drive health and social care integration.
- Led on social care workforce strategy and learning and organisational development.

2020 – 2022

PPE Lead (West Yorkshire LRF) and Social Care Vaccination Lead (Kirklees)

Co-ordinated several million items of emergency PPE for every council in West Yorkshire, and the Covid vaccination programme for 10,000+ social care and community staff in Kirklees.

2010 – 2017

Health and Social Care Development Team Manager
Kirklees Council

Led a multi-disciplinary team working across the Council and its partners to improve health and social care commissioning and service delivery.

1999 – 2010

Health Policy Officer
Kirklees Council

Supported senior managers to develop strategies, plans and services for healthier communities and to tackle health inequalities.

Before 2000

Earlier career

Learning and Organisational Development Manager for a health authority through two re-organisations; taught on undergraduate and post-graduate programmes; developed NVQs for the national Industry Lead Body for museums, galleries and heritage; managed youth and adult vocational skills teams.

Top career highlights

1. Developed and implemented district-wide strategies, including Tackling Poverty, Integrated Health and Social Care Commissioning and the Kirklees Joint Health and Wellbeing Strategy.
2. Developed the Kirklees Joint Strategic Needs Assessment: authored sections, held overall editorial responsibility and led dissemination.
3. Developed and delivered the Kirklees Better Care Fund Plan and the associated £50m+ pooled fund.
4. Led the Council's response to the development of Integrated Care Systems.
5. Led adult social care workforce development in Kirklees, including the National Public Service Recruitment Award-winning In2Care recruitment service.
6. Managed the development and governance of the Kirklees Health and Wellbeing Board, the Integrated Health and Social Care Commissioning Board and the Integrated Provider Board.
7. Authored successful major funding bids, from three Lottery-funded Healthy Living Centres to early implementation of the National Living Wage uplift in adult social care across West Yorkshire.
8. Co-authored the Health Development Agency Health Needs Assessment Workbook, widely used nationally to help primary care teams target key health needs.
9. Established a ground-breaking collaboration between the local NHS and thirteen international pharmaceutical companies, delivering projects that improved patient care across primary, community and acute care.

Non-executive experience

2005 – 2025 **Trustee Board member and Chair** Fresh Futures (formerly Yorkshire Childrens Centre)
Chaired the Trustee Board and committees on remuneration, income generation, partnerships and strategy; led the Covid response strategy and the recruitment of a new Chief Executive and external Chair.

2006 – 2015 **Chair** Kirklees Sport and Recreation Partnership
Led a multi-agency partnership board for local sport and recreation strategy.

2004 – 2011 **Founder and Treasurer** Friends of TP Woods
Founded and ran a practical conservation group for a Local Nature Reserve.

Education

1999 **MA in Leading Innovation and Change in Healthcare** University of York

1988 **Qualified Youth and Community Worker**

1986 **BA Honours in Community Studies**
